Rhum J.M is an exquisite Rhum distilled on the Caribbean island of Martinique, located in the northeast in Macouba, the sugar cane grows on 28-degree vertical slopes in rich volcanic soil at the foot of Mount Pelée.

Rhum J.M are the only distillery that uses canes cultivated and harvested from its own estate, distilled in traditional Creole column stills.

Tasting Notes: Aged 100% in re-charred Bourbon barrels, the elegant copper tone precedes a gorgeous rhum on the palate. It has a generous bouquet of toasted nut, lemon and sage on the nose, which compliments the chewy sweet cake as well as the mango and passion fruit flavours. The experience is accented by white pepper, cinnamon and nutmeg.

Awards: Gold at The Spirits Business Rum Masters 2016
