Rhum J.M is an exquisite Rhum distilled on the Caribbean island of Martinique, located in the northeast in Macouba, the sugar cane grows on 28-degree vertical slopes in rich volcanic soil at the foot of Mount Pelée.

Tasting Notes: Created by aging rhum 3 years in re-charred Bourbon barrels and finishing the rhum an additional year in lightly toasted new American oak barrels.

Expect to find nougaty richness with cinnamon and clove aromas, flavors of spiced butter and lemony toffee, which leads into a smooth and subtle finish.

Awards: Ultimate Spirits Challenge 2012- 93 points.
