Masons Yorkshire Gin was created by Karl & Cathy Mason, gin enthusiasts without any prior knowledge of the industry who set out to produce a drink that stood out from the crowd – a unique gin with more character and more taste – not just a different label. How could Masons resist creating a Tea Edition gin – quirky yet delicious – don't knock it till you've tried it.

Tasting Notes: Delicate and fresh upon the palate, with a citrus sharpness hitting the senses and fresh aromas that swirl around. Plenty of Yorkshire Tea flavour develops on the palate, as well as fresh aniseed, cardamom & pepper notes before the tea returns for the long finish.
