LE VIGNE VERDI CHARDONNAY

Categories: Chardonnay, White Wines, Italy, Dry, £10 - £19.99 Wines

Terra Serena's Vigne Verdi Chardonnay is an elegant and delicate, lighter style white wine with crisp freshness and clear minerality. It has strong notes of crisp green apples and pears, with some hints of lemon zest and floral aromas. It receives wine that has already been fermented, which undergoes filtration and refrigeration. Once this process is complete, the wine is filtered to obtain a clear and faultless wine. Finally, the wine is bottled under isobaric conditions.
