'The Matsui – Sakura Cask' Single Malt is distilled by the Kurayoshi distillery, Kurayoshi city - Tottori prefecture.

Double distilled in pot stills then aged in Sakura oak casks., the famous and iconic Japanese cherrytree. This tree holds an important place in Japanese culture. Often used as a metaphor on ephemerality of beauty and life. It always has been a source of inspiration for Japanese artists.

Ageing takes place in the Tottori prefecture in a natural environment very favorable to a good aging. It is then diluted down with high quality natural spring water from Mont Daisen.

This masterpiece is made with heart and passion by the Matsui team!
