Roebuck Estates has quickly become one of the most renowned names in English sparkling wine, recognised for its vineyard-led approach and commitment to extended ageing and precision in the traditional method. With over 200 acres under vine across multiple parcels in West Sussex, including some of the country's most promising chalk and greensand soils, Roebuck brings together scale and meticulous craftsmanship in a way few English producers can.

Rare Expressions No. 19 is a single-vintage cuvée crafted only in exceptional years. The "No. 19" refers to the 2019 harvest, a near-perfect growing season that combined generous warmth with high levels of natural acidity. The blend is predominantly Pinot Noir and Chardonnay, harvested from low-yielding plots and fermented in a mix of stainless steel and old French oak to build complexity and finesse. The wine underwent secondary fermentation in the bottle and was aged for over four years on the lees, resulting in a remarkable texture, precision, and length.
