Discover the secret of Becherovka, a 200-year-old herbal liqueur and the oldest alcohol brand in the Czech Republic. Produced since 1807 in Karlovy Vary from a closely guarded recipe of approximately 20 herbs and spices. Founded by Josef Vitus Becher, who refined the original recipe over nearly two years, the liqueur's legacy was further shaped by Johann Nepomuk Becher, who expanded production and established its iconic flat bottle shape in 1866.
