Cartron has been a family business since 1882, with strong roots in the town of Nuits-Saint-Georges at the heart of Burgundy's cru vineyards. The soil of this region has been producing high quality fruit for centuries, which for have been used in the production of Burgundy wines, or fruits to produce juices, liqueurs and fruit brandies.

Tasting Notes: The nose is a remarkable elegance, delicate, subtle and very expressive. The aromatic finesse of the white flowers comes forward. The first wave is soft and round, follows a very pure and very fresh texture in the mouth. The sweetness is discreet. The finale is subtly floral with notes of tart fruits. Very good length in the mouth.
