Milla is the new Marolo brand that replaced the "Liquor of Grappa and Chamomile", completely renewed thanks to the precious work of famous international designers.

During the previous years the imitations attempts have been a lot; that's why Marolo created Milla, to protect the originality of the recipe and to go towards the taste of the young clients who are enthusiastically appreciating and consuming more and more this product. Milla is wonderful to be drunk chilly or frozen.

It is a liqueur made from the infusion of Camomile flowers in the grappa. The Camomile flowers are picked when fully ripened then left to steep for eleven months in the grappa. This liqueur is obtained from a traditional and easy recipe, typical in the "Langhe" territory, the land of Barolo and Barbaresco.
