Zignum is the first of its kind, a premium distillate that is clean, crisp and primed for mixability. Showcasing the agave in its purest form, Zignum is a celebration of Mexico's culture, taste and passion for refinement.

Founded in 2007 by Casa Armando Guillero Prieto (CAGP), who owns the largest Mezcal distillery in the world with state-of-the-art technology and highly qualified people. It is a 100% Mexican company using standardised processes and the highest possible quality.

Tasting Notes: At first glance, it displays beautiful orange and brown tones with golden hints. To the taste, it is full and silky with light hues. Its soft aroma and taste make it a complete beverage for any occasion.

Drink it neat or mix it, the result is an authentic experience that is stripped of excess.
