Pama Pomegranate Liqueur is made with all-natural pomegranate juice, premium vodka and a touch of imported tequila. Bottled at 34 proof, Pama is highly mixable in a range of cocktails such as Pama and Champagne, Pama Cosmo and the Pama Mojito.

No fruit compares to the pomegranate. The deep crimson colour; the dense pulpy flesh; the rich red juice; even the time of year when it ripens – all of these singular characteristics, along with the tales of mystery and romance woven around it, make the pomegranate rare and unequalled.

The fall harvest offers a freshness and juiciness within the tempting fruit that cannot be experienced any other time of year. The pomegranates chosen for Pama are selected at their peak for ripeness and flavour.
