Sipsmith London Cup is inspired by the House Cups made with gin and found in every reputable drinking establishment in London in the 1800s.

To craft this unique spirit, Sipsmith take their award-winning London Dry gin and blend it with a host of carefully selected ingredients, including Earl Grey tea, rose petals, borage, vermouth and a touch of bitters which makes for a deliciously refreshing and sophisticated summer drink.

Best served over lashings of ice with clear lemonade and a selection of your favourite summer fruits.
