Triple distilled and matured solely in American bourbon casks. The result: a Lowland single malt whisky with the sweet aromas of vanilla and coconut - along with the signature smooth, delicate, Auchentoshan taste.

Like all Auchentoshan, American Oak is a really versatile single malt.

It works wonders as an Auchentoshan & Ale, is happy to stand on its own neat or over ice but also shakes up some classic cocktails that you might not think work with single malt whisky.
