On the island of Hven located in the strait of Öresund between Denmark and Sweden lies the Spirit of Hven Distillery. Founded in 2008, this family owned distillery became the third pot still distillery ever to be built in Sweden and is one of the world's smallest commercial pot distilleries.

Although Hven only covers an area of 3 square miles and has a population of around 350 inhabitants; from this remarkable island comes some of the highest quality handcrafted spirits produced. Spirit of Hven produces a diverse range of oak matured, organic distillates, described as "Taste & Scent with Sustainability".

A medium peated single malt whisky, created from barley to bottle in a small family owned distillery situated on the island of Hven in the strait between Denmark and Sweden.

Tasting Notes: The whisky has a clear note of leather and salty liquorice, behind the first peppery note lingers a lovely scent of barbecue and open fireplace. When the scent buds have tuned in, on the high strength the nose is filled with dark chocolate, coffee and vanilla. The scent is held together by sweetness reminiscent of old port wine.
