The unique, warm flavour of this harmonious single malt is created by the ideal combination of Oloroso sherry seasoned American and European oak casks. The skilled whisky makers optimise the right mix of European and American sherry seasoned oak casks to let the delicate and indulgent flavours of American oak take centre stage, while the more traditional Macallan characteristics of rich fruits, sherry, and wood spice provide a reassuringly familiar backdrop. Every Macallan single malt demonstrates The Macallan's unrivalled commitment to wood and spirit mastery, for which it has been known since its founding in 1824. It's a reflection of our unwavering desire to go beyond the ordinary, to seek out the extraordinary, and to craft single malts that are unrivalled.
