The Macallan Estate is a homage to the Whisky Maker's history and home. It's a tremendously unusual new single malt made from a part of the barley cultivated on the Easter Elchies estate and distilled only once a year over the course of a single week. The Macallan Estate is a celebration of the single malt's unparalleled pedigree and tradition, created by whisky maker Sarah Burgess. The Macallan Estate delivers a subtle hint of citrus which balances the traditional sherried richness, resulting in a complex single malt with an extraordinarily long finish. Estate offers a unique opportunity to experience rare spirit made from our precious estate-grown barley and honours the birthplace of every bottle of The Macallan.
