Ron Montero distillery was founded in 1963 by a family which has been cultivating sugar cane for generations, whose guiding principles have always been quality of its products and artisanal production techniques, the laying of enormous importance on the quality of raw materials used, and scrupulous respect for the Crianza times in the system of “Soleras” and “Criaderas”.

Tasting Note: Amber in colour, clean and brilliant, it presents a delicate and complicated set of balanced aromas, with hints of honey and brushes of vanilla and oak from its time in virgin-oak solera & criaderas.

To the palate, it is dry and smooth, with light alcohols that complement its aroma. Ron Palido is Ideal for sling, highball, and sour cocktails. Founder’s choice is Ron Palido mixed with lime soda, affectionately known as “Palito”.
