Ron Montero distillery was founded in 1963 by a family which has been cultivating sugar cane for generations, whose guiding principles have always been quality of its products and artisanal production techniques, the laying of enormous importance on the quality of raw materials used, and scrupulous respect for the Crianza times in the system of “Soleras” and “Criaderas”.

Tasting Notes: Ron Plata Montero is taffia made of high quality, this keeps the aromas of raw aging and pleasant passage through the oak material. Soft and light, ideal for cocktail lovers.
