The Ferdinand's Saar Dry Gin with the antique hammered copper cup is a wonderful gift for your loved ones and of course yourself.

Saar Dry Gin is a great juniper spirit from the Saar area in Rhineland-Palatinate near the Mosel region. The copper cup with Ferdinand's design cuts a fine figure in every cocktail bar.

Copper cup is perfect for juleps and mules but also for delicious gin and tonic.

Aromas of juniper, fresh fruits and white wine. On the palate, it shows above all floral with clear lavender. An exciting but mild finish.
