On the Island of Hven located in the strait of Öresund between Denmark and Sweden lies the Spirit of Hven distillery. Founded in 2008, this family owned distillery became the third pot still distillery ever to be built in Sweden and is one of the world's smallest commercial pot distilleries.

Tasting Notes: A distinct mellow flavour and elegant mouth feel characteristic of the Hven stills. This vodka is best drunk on its own, over ice or with the addition of water alone, but it also works well as an ingredient to drinks and cocktail.
