A smooth and luxuriant craft vodka, Sauvelle is the drink of choice for the free spirited, the well travelled, the bon vivant. Sauvelle is named in honour of both its origins in the heart of the Cognac countryside and the people for whom it was created.

Sauvelle owes its delectably rich, elegant taste to a unique distillation process, starting with the finest French wheat and the celebrated crystal clear spring waters of Gensac. The vodka is then un chill filtered and oak smoothed using chene du Limousin, creating indulgent signature notes of vanilla, caramel and cherry blossom.
