Fox & Fox is a multi-award winning boutique grower-producer of English sparkling wines, cultivating 30 acres of classic varieties. Their vineyards sit either side of the ancient hilltop village of Mayfield, amongst the rolling hills, woodlands and deep-cut ghylls of the Sussex High Weald. Jonica and Gerard Fox have been growing vines since 2004 and producing wine since 2009.

In 2010, they expanded from their first Hobdens vineyard site to the second, larger Lakestreet vineyard, whilst remaining true to their first love: making limited quantities of high quality sparkling wines with a unique English twist. The climate here is similar to Champagne, allowing for a long, even ripening season. The two vineyards lie on a combination of ancient clay, shale and sandstone. Here Pinot Noir, Pinot Meunier, Chardonnay and Pinot Gris are grown from medium-yielding Burgundy clones, trained on a double-Guyot trellising system. The vineyards are worked rigorously by hand with great attention paid to minimising spraying and maximising canopy management and vine nutrition.
