A finely balanced single malt aged for 30 years in American and European oak casks seasoned with sherry. From the enormous green forests of northern Spain and the French Pyrenees to the rich forests of Ohio, Missouri, and Kentucky, the Double Cask range tells the narrative of an epic wood trip to produce the ideal harmony. Because oak influence is the single biggest contributor to the quality, natural colour, and distinctive smells and flavours of our single malt whiskies, this release exemplifies our unrelenting commitment to uncompromised perfection.
