Located in the picturesque village of Ribeauvillé, in the Alsace region of France, the Metté distillery carries on the time-honoured craft of distillation. By remaining faithful to a traditional manufacturing process, Nathalie and Timothée Traber produce a wide range of eaux de vie and liqueurs made with love, diligence, and patience. Honouring Jean-Paul Metté and Philippe Traber's memory is of paramount importance to this family of craftsmen. Well-familiar with the mysteries of the still, they are passionate about sharing their love and expertise for distilling. In the discrete Rue des Tanneurs, Nathalie and Timothée craft subtly-distilled eaux de vie, designed to please and delight connoisseurs and novices alike.
