François Voyer occupies 29ha in the heart of the prestigious Grande Champagne on some of the highest quality soils in the region – the area known as the 'golden triangle'. From this tiny estate Maître de Chai Pierre Vaudon produces cognacs of breath-taking elegance and complexity.

This one-off bottling is based on a single vintage from the 1970s, and is a testament to what this unique region is capable of. An intense, delicate cognac with a complex rancio and a finish that lasts a month or more. Quite simply perfect.
