95.5 percent Cabernet Sauvignon, 3.6 percent Merlot, 0.5 percent Cabernet Franc, 0.3 percent Petit Verdot, and 0.1 percent Malbec make up the 2017 Alexander Valley Cabernet Sauvignon. The final blend was matured for 24 months in American oak barrels beginning in early 2018. The 2017 Alexander Valley vintage featured half new barrels, giving our wines a nuanced, layered flavour of bay leaf, coconut, and vanilla. The Silver Oaks winemaking style of blending before barrel age allows blends to be based on the inherent attributes of their vineyard components before oak influence. The resulting Cabernets are integrated and ready to enjoy from vintage to vintage.
