Château Vieux Moulin is a 200-year-old estate located in the Languedoc appellation of Corbières. After finishing military service nearly 20 years ago, Alexandre They returned to his family estate to help out. Soon afterwards he was given the opportunity to take over the estate despite very limited winemaking experience, but the choice was either take on the responsibility, or sell. Alex jumped in and learned on the job, as the 7th generation of his family to run the domaine. He's now regarded as one of the Languedoc's most exciting and progressive winemakers.

Vieux Moulin now has all its 28 hectares fully certified organic. Alex is unafraid to challenge the status quo and explore new angles of winemaking, but never at the expense of what's in the glass, and the wines always represent their origins in the vineyard.

"I Love You" is an organic Cinsault made without any additional sulphites. Vinified with wild yeasts in stainless steel tank, then aged for 1 year on fine lees. It's a gorgeous, silky light-medium bodied red with perfumed pomegranate and red cherry notes alongside hints of dried wild herbs. Gentle tannins and fresh acidity round out the package. A true Vin de Soif.
