Latitud 34° is a family produced easy drinking wine range from Mendoza. The family have been making wines for 3 generations in Mendoza.

The grapes are hand-harvested from their vineyards on the 34th latitude, at altitude in the mountain vineyards of Mendoza. They are then sorted by hand again to ensure only the fully ripe, clean grapes go into the wines. They are then fermented in a state-of-the-art winery, also in Mendoza, allowing the winemaker to control the temperatures and keep the freshness of the wines.

Grape Varieties: 100% Malbec

Tasting Notes: The flagship wine for Carelli, this Malbec does not disappoint. Great plum and cranberry perfume with some good spice and leafy secondary characters. Soft but plentiful tannins work well with the acidity and depth of fruit flavour on the palate, making the wine very drinkable, with or without food!

Sugar Level: 2.6g/l

Closure: Screw Cap
