The Grand Cru Bougros is located at the north-western tip of the Grands Crus, on a south-east facing Kimmeridgian limestone slope. The vines are nearly 50 years old and worked organically. The wine is vinified in satinless steel tank with natural yeasts, then aged on fine lees until the April following harvest

Powerful and structured, with concentrated pear, apple and wet stone notes which broaden on the palate to reveal subtle hints of honeysuckle and beeswax. Intense and long, this top quality unoaked Chardonnay will comfortably age for 8 years or more
