Bodegas Hidalgo was established in Sanlúcar de Barrameda in 1792 and is one of the oldest Sherry producers in existence. Bodegas Hidalgo was established by the Hidalgo family over 200 years ago and is still owned and run by the eighth generation today. At present, they use only grapes grown in their own vineyards to make their wines. The Manzanillas, premium and aged Sherries produced by the Bodega are seen as benchmarks of quality and style the world. Hidalgo Amontillado Napoleon VORS is aged in the Solera system, the traditional ageing method used for all Sherries then matured in American Oak casks in Sanlúcar de Barrameda. VORS (Very Old Rare Sherry) is aged for an average of 30 years.
