The Merlot is predominantly sourced from selected vineyards in the Rapel Valley, which is renowned for its ability to produce soft sweet red wines. Fruit was also sourced from the Curico and Maule Valleys because these valleys produce fruit with lifted fruit profiles, which add another dimension to the final wine.

Grape Varieties: 100% Merlot

Farming Practices: Sustainable

Tasting Notes: Dark violet colour with redish tones. Pleasant complexity of ripe black cherry and plum fruit aromas, spiced fruitcake and earthy nuances. Mouth filling and smooth, with ripe sweet fruit flavours of plums and currants. The structure is generous, smooth and long.

Best enjoyed young within first three years to enjoy the exuberance of fresh fruit.

Sugar Level: 4g/l

Closure: Screw Cap
