Le Vigneron Savoyard is small co-operative of vinegrowers in the mountainous cool climate Savoie region of Southeast France, which runs from Geneva into the French Alps. Founded in 1952 as the Chautagne Cooperative, in 2016, they merged with the Apremont Cooperative, allowing them to offer a wide range of wines from across the region, some of which are still vinified as single estate or domaine wines. These are fresh, distinct and extremely food friendly wines, with moderate ABVs and clean, precise winemaking across the range

This is made of 100% Jacquere from high altitude 80 year old vines grown near Chambery and vinified in stainless steel. Tense, vibrant and mineral with mouthwatering citrus and yellow plum notes
