The process of making ZENO wine begins in vineyards in central Spain, where organically grown vines nestle on undulating hills, surrounded by picturesque almond orchards and sheep grazing in fertile fields.

At harvest, parcels of only the best fruit are selected, with specific qualities tailored for getting the perfect result through the de-alcoholisation process. Carefully vinified in a world class winery, the wines are then meticulously blended, before the alcohol is gently removed using the world's most advanced technology. Finally, further extensive blending and tasting follows, led by ZENO's resident Master of Wine, to achieve wines with regional expression and sophisticated aroma and flavour qualities.

Their Sparkling White has a yellow/green straw appearance with a fine, persistent mousse and aromas of green apple, elderflower and creamy lemon zest. On the palate, a delightfully crisp attack with creamy bubbles and notes of crisp apple and elderflower is followed by mouth-filling citrus and fresh lemon thyme and hints of brioche on a long satisfyingly fresh finish.
