£41.50

SKU: USAMSB

Categories: Sauvignon Blanc, California, White Wines, USA, Dry, £20 - £49.99 Wines

An outstanding quality level white wine from a legendary producer. We've been lucky enough to receive a parcel from this exceptional wine. This is a relatively youthful Sauvignon Blanc, but is coming from a fantastic vintage. On the palate, there are strong notes of lemon, grapefruit and citrus blossom. It's exceptionally creamy, with exceptional balance between fruit concentration and acidity. 2022 was a particularly hot vintage for Napa, but the extra heat was essential in creating the rich and fruity profile for this wine. This wine shows an exceptional profile, with an intense character and well-integrated flavours that will delight any wine lover.
