Siren Soundwave IPA is an explosion of tropical hop goodness. At 5.6% ABV, it delivers a bold punch of mango, citrus, and pine flavours, balanced by a subtle malt sweetness. With its vibrant aroma and crisp finish, this IPA is a sensory adventure for hop lovers. Whether you're soaking up the sun or unwinding after a long day, Soundwave's refreshing and complex profile makes it the perfect companion for any occasion.

Siren Craft Brew is a pioneering brewery renowned for its innovative and flavourful beers. Based in Berkshire, England, Siren pushes boundaries with its bold and imaginative brews, constantly experimenting with new ingredients and techniques. Their commitment to quality and creativity shines through in each sip, whether it's their award-winning core range or limited-edition releases. With a focus on balance and complexity, Siren crafts beers that captivate the palate and defy expectations. Embracing the spirit of adventure, Siren invites beer enthusiasts on a journey of exploration and discovery through every bottle and pint they produce.

Siren's Soundwave IPA floods the senses with a symphony of tropical fruit flavours, featuring bold notes of ripe mango, zesty citrus, and resinous pine. Its medium-bodied profile offers a perfect balance of malt sweetness and hop bitterness, creating a harmonious palate experience. Aromas of citrus and floral hops entice the nose, while the crisp, clean finish leaves a lingering satisfaction.

To savour Siren's Lumina Session IPA, chill it well and pour into a glass to release its bright aroma. Pair it with lighter fare like grilled chicken salad or fish tacos for a refreshing meal. Its citrusy notes also complement spicy dishes such as curry or buffalo wings, providing a refreshing contrast. Alternatively, enjoy it solo as a thirst-quenching refresher during outdoor gatherings or while lounging on a sunny day.
