Barolo Bussia DOCG comes from the splendid amphitheater-shaped vineyard in the Bussia Monforte d'Alba area. This historic wine was produced for the first time at Prunotto as a single vineyard wine in 1961. The balance and complexity of the Nebbiolo grapes are enhanced by the vineyard's varied south to southwest exposure and the traditional aging in large barrels.

Barolo Bussia is intensely ruby red with light garnet hues. The nose is complex and precise: notes of red oranges and pink pepper lead to hints of small wild berries and roots. The palate is full and fruity with excellent structure and silky tannins accompanied by extraordinary freshness. The wine closes with a persistent finish that echoes aromas perceived on the nose.
