Château Canon is a Premier Grand Cru Classé 'B' estate situated within the Saint-Émilion appellation. The property was acquired in 1996 by the famous fashion house Chanel, who completely revitalized the brand. This is their grand vin from the 2010 vintage, a blend composed of 75% Merlot and 25% Cabernet Franc. Expect an enticing floral nose, complemented by bright red berries and cherries. The palate is fresh and juicy, revealing a silky texture and fine tannins. Wonderful nose with strawberries, cherry blossom, and vanilla. The red opens up with blueberries, milk chocolate and sweet licorice. Full and juicy on palate with pure dark fruit and velvety tannins. So nicely layered texture and long in the finish with red fruit and crushed chalk. The texture is superb. Drink from 2018.
