Laphroaig's 18-year-old whisky marks a key moment in the story of Laphroaig. It captures over two centuries of master distillers and blenders who made Laphroaig what it is today. Matured in ex-Bourbon American oak barrels, this single malt combines the distinctive smoky character of Laphroaig with notes of intense vanilla and sweet ripe fruits, alongside signature notes of woody peat smoke coming through on the finish. The 18-year-old single malt is guaranteed to leave its mark and be memorable.
