Domaine Georges Burrier is located in South Burgundy, in the Mâconnais region. Pouilly-Fuissé is situated where the contours are more marked, around the rocky cliffs of Vergisson and Solutré, on the slopes of Mount Pouilly and the circus of Fuissé. Here the vineyard covers Jurassic clay and limestone soils.

The 3,600 hectares of Domaine Georges Burrier are located in the village of Fuissé. 'Vers Cras' is a well known single vineyard located on the Beauregard plateau's Fuissé side. Its poor and thin soils lie on Jurassic sedimentary chalky layers.

Grape Varieties: 100% Chardonnay

Farming Practices: Sustainable

Tasting Notes: When young this wine evokes white flesh fruits (pear and peach), and white flowers (acacia). The wine is fresh and mineral, balanced in the mouth with honeyed hints and a citrus finish. This Pouilly-Fuissé is intended to be savoured rather young, within 2 and 5 years after bottling.

Sugar Level: 2.0g/l

Closure: Natural Cork
