Expertly crafted in the heart of London by The Poshmakers distillery, Ish Limed Gin is a bold and refreshing take on the traditional London Dry style of gin. Renowned for their meticulous attention to detail and innovative approach, The Poshmakers have reimagined the classic gin profile by infusing it with bright and invigorating lime essence. Distilled five times with high-quality English grain spirit, Ish Limed Gin combines tradition with a citrus twist to create a spirit that is both vibrant and versatile.

At the heart of Ish Limed Gin is a carefully curated selection of nine botanicals, each expertly chosen to enhance the complexity and balance of the gin. The botanicals are macerated for 24 hours prior to distillation to ensure that the full depth of flavour is extracted. The result is a gin that is smooth, complex, and bursting with fresh citrus character.
