Founded in 1885 by Emily Giffard in the town of Angers, Emile initially created a mint liqueur that quickly gained popularity and cemented the family as a well-known premium French drinks brand. Still family run, Giffard has expanded its range to include a diverse collection that includes fruit liqueurs, herbal liqueurs, and syrups. Renowned for their dedication to using natural ingredients and maintaining traditional production methods and recipes, Giffard products have gained global acclaim with bartenders and cocktail enthusiasts alike who appreciate the variety and depth of flavour their products offer.

Crème de Banane is Giffard's flagship banana liqueur made utilising wild bananas sourced from India, China, the Philippines, Brazil and Ecuador carefully selected for their intense aroma and depth of flavour, this golden-hued liqueur captures the true essence of sun-ripened bananas. The bananas are macerated to extract their full character, resulting in a liqueur that perfectly balances sweetness with complexity.
