Melissanidi Traditional Distillery, which was established in 1924, is one of the oldest distilleries in Greece. Nowadays, the third generation is taking advantage of the valuable knowledge, the long-standing tradition and the rare passion which have been inherited, and they combine them with best practises of modern technology, looking forward to creating products which satisfy the requirements of every palate. The procedure of the production is traditional and the recipes are secret. Natural spring water from Kaimaktsalan mountain is the key ingredient along with other carefully selected raw materials. The Arhontiko is the leading brand of the Melissanidi Distillery and consists of an Ouzo and Tsipouro.
