Mataroa Mediterranean Distilled Gin and Mataroa Pink were created by third generation distiller Dimitris Melissanidis. Owned by the centennial Melissanidi Distillery, they're bottled and distributed in Greece and are some of the best-selling premium Greek gins today. The brand currently exports to more than 20 countries and all Mataroa Family products (MDC, Mataroa Pink, Mataroa Happy) are listed in some of the best bars worldwide. Introducing Mataroa Happy, one of the world's first gin based low-alcohol spirit infused with Hemp Seed Oil and Damiana Extract, a yellow aphrodisiac flower from Latin America. These two natural ingredients make the taste of Mataroa Happy truly unique, a taste that anyone who tries it will remember for a long time. Mataroa Happy is created to be enjoyed on the rocks, but mainly as a Happy Spritz, with the following simple yet delicious recipe: 100ml Sparkling Wine, 60ml Mataroa Happy, 30ml Soda and a lemon peel.
