From the first vines planted in 1849, Yalumba has been at the forefront of every turning point in Australian wine history, helping to forge Australia's enviable wine culture from table wines to those that sit proudly amongst the finest wines of the world. With ancient vines sustained by the world's oldest soils and enriched by the craftsmanship of generations, Yalumba is writing the next chapter in Australia's fine wine story—a future for the wine world that thrives with authenticity, diversity, and distinction.
