Keush Origins Brut is a captivating sparkling wine that brings together millennia of winemaking tradition and the dramatic beauty of Armenia's highland terroir. Sourced from own-rooted vineyards in the remote village of Khachik, situated at an elevation of nearly 1,800 meters, this wine is a true expression of altitude, heritage, and precision. Perched along Armenia's southwestern border, Khachik is surrounded by panoramic mountain views and a rugged landscape shaped by ancient volcanic activity and limestone formations. The harsh winters, hot summers, and dramatic diurnal shifts create ideal conditions for cultivating grapes with intense freshness, structure, and aromatic complexity.
