Domaine Joseph Pascal, established in the early 20th century, is a family-run estate located in Puligny-Montrachet. Currently managed by the fourth generation, Alexandra and Yann Pascal, the domaine spans 15 hectares across Burgundy's Côte de Beaune, encompassing vineyards in Puligny-Montrachet, Meursault, Auxey-Duresses, and Volnay. The estate practices sustainable viticulture with minimal intervention during the winemaking process. All wines are barrel-fermented and aged on fine lees for approximately 12 months, with 20% new oak used sparingly to enhance complexity without overpowering the fruit. This approach results in wines that are both refined and expressive of their origins.
