Pinard Brothers, now in their 20th generation of winemaking, continue to champion organic and biodynamic viticulture in the Sancerre region. The Les Grands Champs vineyard benefits from a prime location on steep, mineral-rich slopes, where the vines are meticulously cared for to optimise fruit quality and expression. The wine is fermented with natural yeasts and aged in large neutral oak vats to maintain purity and highlight the vineyard's unique minerality without excessive oak influence.
