Launched in 2015 under the stewardship of the former chef de cave, Gilles Descôtes, the Bollinger PN series was introduced to showcase exceptional terroirs and vintages of Pinot Noir within the Bollinger maison. Descôtes' concept was that each year, all four members of the Bollinger winemaking team would craft their interpretation of the best possible Pinot Noir blend. The team would then taste the wines blind, and the blend judged best by the group would be released as a special edition under the PN series.

The latest edition in this series, the PNTX 20, was created to highlight the exceptional terroir of the premier cru village of Tauxières in the Montagne de Reims sub-region of Champagne. Ideally suited for growing Pinot Noir, the terroir of Tauxières is characterised by its unique exposure and soil composition, which blends chalk and clay. The Tauxières 2020 vintage accounts for 48% of the blend, while the remaining 52% comprises reserve wine, half of which comes from the 2008 and 2012 Vintages from the grand cru plots in Aÿ.
