The GlenAllachie Distillery, nestled in the heart of Speyside, has built a reputation for producing rich, complex single malt whiskies. Established in 1967, it remained relatively under the radar until it was acquired by industry veteran Billy Walker in 2017. Under his guidance, GlenAllachie has flourished, focusing on traditional methods, innovative cask finishes, and meticulous attention to detail. The distillery is renowned for its use of a wide variety of casks, including American oak, Oloroso, and Pedro Ximénez sherry casks, which contribute to its signature depth and flavour complexity.
