Categories: [USA](#), [Chardonnay](#), [White](#), [Dry](#), [Gifts](#)
[Under £100](#), [£50 - £99.99 Wines](#)

Ridge Chardonnay is an outstanding expression of cool-climate California Chardonnay, crafted from organically grown, estate fruit in the Santa Cruz Mountains. Perched high above Silicon Valley, the historic Monte Bello vineyard is defined by its fractured limestone soils and maritime influence, conditions more typically associated with white Burgundy than California. These unique features allow the Chardonnay to combine precision, minerality, and elegance with the richness for which Ridge is renowned.
